

Public Comment Card

Chamblee Dunwoody Road @ N. Shallowford Road/ Peeler Road to Vermack Road Intersection Improvements

Public Information Meeting – December 11, 2014

Your input regarding the operational improvements to the intersections is important to us. Planning and design staff will consider all comments received. Please take a moment to fill out his comment sheet (front and back sides). Thank you!

Improved Signalization Option
This concept adds a second left turn lane for north bound Chamblee Dunwoody Road, and provides other operational improvements to Vermack Road. Pedestrian facilities will be accommodated.
Roundabout Option
This concept upgrades the existing signalized intersection of Chamblee Dunwoody @ N. Shallowford/Peeler Road to a roundabout, and provides other operational improvements to Vermack Road. Pedestrian facilities will be accommodated.

Please Rate Your Overall Impression of the Concepts Presented Tonight

Where 1 = *I do support this option.*

2 = *I could support this option, but it is not my preferred option.*

3 = *I need more information or am neutral about this option.*

4 = *I could not support this option, unless given more convincing information.*

5 = *I do not support this option at all.*
