## Paint Dunwoody Green Trade your old paint for a new tree!

Thinking about doing some spring cleaning? Now's the time to gather all of those old cans of paint lying around the house to bring in for recycling (yes, the old paint is recycled and used again!) during the Dunwoody Nature Center and the City of Dunwoody's Earth Day Paint Recycling Event on Saturday, April 26th from 10:00 until 4:00. For a fee of \$1 per gallon, residents can drop off any unwanted paints at the Nature Center and promote healthier air and water quality in the process.

## In celebration of Arbor Day, pick up a free seed kit in exchange for your recycling.
