

MOUNT VERNON ROAD SIDEWALK IMPROVEMENTS (DUNWOODY VILLAGE TO VERNON OAKS DRIVE) - PUBLIC INFORMATION OPEN HOUSE

The City of Dunwoody will be hosting a Public Information Open House to collect community input and feedback on the installation of sidewalks on the south side of Mount Vernon Road. This portion of sidewalk would be done in coordination with DeKalb County's planned water main replacement project and the city's project to resurface Mount Vernon Road. It will connect the existing sidewalk east of the Village with the future sidewalks planned as part of the Mount Vernon/Vermack intersection improvement project. The open house will be held from 6:00 p.m. to 8:00 p.m. on Thursday, August 14, 2014 at the Dunwoody Branch of the DeKalb Public Library, 5339 Chamblee Dunwoody Road, Dunwoody, GA 30338.

This open house event will promote participant interaction with city staff and their representatives. Attendees will have the opportunity to view the working concept of the project and provide feedback.

If you have any questions or for more information, please visit the city's website at www.dunwoodyga.gov or contact the Public Works Department at 678-382-6850.
