ITB 15-01 Addendum 3

Question: Will the City allow any contractor to bid this project and subcontract any and all of the project structure framing work out to a licensed general contractor. Will that be permitted for this project?

Answer: All bidders are allowed to team up or subcontract with any other contractor as long as the contractor signing the contract with the City of Dunwoody has a current valid license from the State Licensing Board for Residential and General Contractors, unless specifically exempted from holding such license pursuant to Georgia law (O.C.G.A. Section 43-41-17).
