Parks and Right of Way Maintenance

Addendum I

Date Issued: November 1, 2013

THE FOLLOWING INFORMATION PROVIDES ANSWERS TO SUBMITTED QUESTIONS.

- 1. Question:** I notice that in your document that it is requiring a minimum of 5 people for parks. It appears that you also want a completely separate Right of Way crew. Is this correct do you want a 5 man minimum park crew and a separate ROW crew or if we feel that we can do both with 5 men is that acceptable?
Answer: There must be a 5 man parks crew and a separate right of way crew.
- 2. Question:** Do you have a better right-of-way cutting map or list?
Answer: See Information Provided.
- 3. Question:** Do you know the exact mileage for the r-o-w cutting?
Answer: See Information Provided.
- 4. Question:** Do all 8 parks need to be addressed on the Saturday, Sunday, and holiday coverage?
Answer: Yes.
- 5. Question:** Can you tell exactly which athletic fields is part of the athletic field maintenance program? (Twice/year core aerating, pesticide/herbicide, over seeding, top dressing, etc.)
Answer: The activity fields located at Brook Run Park. One at the entrance, three at the pavilion area and one in the back field of the park.
