Inside you will find information about our:

Benefits Eligibility | Benefits Enrollment | Health Benefits | Dental Benefits | Flexible Spending Accounts | Disability Benefits | Life Benefits

For the plan year: January 1, 2019 through December 31, 2019

This booklet provides a summary of plan highlights. Please consult the carrier’s contract for complete information on covered charges, limitations, and exclusions. This is not a binding contract. The carrier’s contract will prevail. If you have further questions please contact the carrier or Relation Insurance Services.
November 8, 2018

Dear City of Dunwoody Employees:

As we approach the close of the year, I would like to thank all of you for your hard work and dedication to the City. The City Council Members and I appreciate your achievements and your continued commitment to the City.

In an ongoing effort to provide high-quality and cost-effective benefit programs, we annually review all of our benefit plans. We are very pleased to be able to present you with an exceptional benefits package again this year.

Effective January 1, we will change our health insurance from Blue Cross to Cigna. Cigna will offer one plan which mirrors the current Buy Up plan. The copays and deductible will remain unchanged. There is also an enhanced benefit of lower copays available if you or your dependents visit a Cigna Care Designation (CCD) provider. CCD providers meet Cigna’s specific quality and cost-efficient criteria, and they span 21 different specialties. We also will have a pre-enrollment line available for all employees during open enrollment for member questions. This line remains open during the year along with a concierge customer service program called One Guide. Many of the other Cigna programs are discussed within this booklet.

The rest of our benefits plans will remain unchanged.

We are very pleased that we will be able to hold all of our employee benefits premiums constant for the 2019 benefit plan year. The City will continue to fund the majority of the cost for our medical and dental insurance.

We continue to partner with Relation Insurance for our benefit plan design and benefits-related employee assistance. Feel free to call Relation to help with claim issues, to receive clarification on insurance matters, or for assistance with solving benefit-related problems. Relation’s contact information is listed on the back cover of this booklet for your convenience.

Please review this benefits booklet for information on the City of Dunwoody’s benefits offerings. If you or your family have any questions, please call Nicole Stojka (678.382.6755), and she will be happy to assist you.

Thank you for being an important part of the Dunwoody team. I’m looking forward to a great year in 2019 with all of you.

Sincerely,

Eric Linton, ICMA-CM
City Manager
Our Benefit Goals
We evaluate our benefit program each year to make sure that we accomplish several goals.
We strive to:
• Promote health and wellness among City of Dunwoody employees and their dependents.
• Provide employees with affordable access to health benefits.
• Provide a competitive benefits program.
• Provide resources to support employees and their dependents as they make important decisions about their health and health care.

New for This Year
• Cigna will be the new insurance carrier for health benefits.
• A Cigna pre-enrollment, customer service line will be open during open enrollment and during the year to answer any benefit or network questions.
• There will be one health insurance plan offered for employees.
• Register for myCigna.com to manage your health and healthcare expenses with ease. Register online and download the myCigna App.

Your Benefits are Paid for with Pre-Tax Dollars
Every penny in your paycheck counts.
To help you stretch your income, we established a Cafeteria Plan or Flexible Benefit Plan that allows you to pay for your benefits using pre-tax money.

What Does a Cafeteria Plan Mean to Me?
• You save at least 15% in Federal Tax
• You save 1.45% in FICA Tax
• You save 6% in Georgia State Tax

More flexibility— you have a menu of benefit alternatives and levels and can choose the right options for you

Open Enrollment

To make benefits enrollment faster and more convenient, we conduct Open Enrollment through the City of Dunwoody Paycom Portal.

**TIP**  
*Open Enrollment begins on Thursday, November 8th and ends at 11:59 p.m. Monday, November 19th. All changes to your benefits must be completed by 11:59 p.m. on Monday, November 19th.*

How to Enroll for Benefits

We are excited to offer online enrollment through Paycom, a web-based tool that allows you to make your benefit elections online.

To enroll:
1. Log on to the City of Dunwoody Paycom Website.
2. Complete the following fields on the Login page:
   - Select Employee Login
   - Enter Username
   - Enter Password
   - Enter Last 4 Digits of SSN
3. If you are eligible, you can enroll using the “Benefits” tile. Select “2019 Benefit Enrollment.” For your convenience, you can also access this using the notification bell or the navigation bar at the top of the page.
4. When first starting, you will see a few tips for the process. To begin, select “Start Enrollment.”
5. First you will be directed to confirm or update your personal contact information. After this, you will be able to update dependent information.
6. You will be asked if you want to re-enroll in the same benefits you did last year.
7. You will be guided through the enrollment process for each of your available benefit plans. Each benefit screen will have two check boxes: one to enroll and one to decline.
8. Check the box to enroll or decline coverage for each plan. Then, click “Enroll” or “Decline.”
9. The last page is a detailed summary of your plan enrollments. Be sure to click “Finalize” on the right side of the page.
10. On the Enrollment Submission pop-up screen, click “Sign and Submit.”

If you have any questions about using the City of Dunwoody Paycom Portal, or if you’ve made an enrollment error, please contact Nicole Stojka at 678-382-6755 or nicole.stojka@dunwoodyga.gov or Sara Ohlsson at 678-382-6754 or sara.ohlsson@dunwoodyga.gov.
**Benefit Eligibility**

Full-time employees are eligible for benefits on the first day of the month following 30 days of service for medical, dental, vision, and FSA benefits. Life and disability benefits will begin on the first day of the month following 90 days of service.

Spouses and dependent children of the employee are also eligible to participate in our benefit plans. Dependent children include natural children, legally adopted children, stepchildren, and children for whom the employee has been appointed guardian.

You can enroll the following dependents in our group benefit plans:

- Your legal spouse
- Children under age 26 (coverage extends through the end of the month in which the child turns 26 for medical, dental and vision)
- Children under age 26 for optional life insurance
- Unmarried children of any age if totally disabled and claimed as a dependent on your federal income tax return (documentation of handicapped status must be provided)

Many employees have other dependents living with them who are not eligible for our benefit plan.

Dependents NOT eligible to be added to your benefit plans:

- Grandchildren, nieces, nephews or other children who do not meet specifications listed to the left
- Common-law spouses or domestic partners (same or opposite sex)
- Ex-spouses, unless required via court order (documentation required)
- Parents, step-parents, grandparents, aunts, uncles, or other relatives who are not qualified legal dependents (even if they live in your house)

**Making Changes to Your Benefits**

Most benefit deductions are withheld from your paycheck on a pre-tax basis (medical, dental, vision, and flexible spending accounts), and therefore your ability to make changes to these benefits is restricted by the IRS.

Open Enrollment elections are effective January 1, 2019 and stay in effect until December 31, 2019 unless you experience a Life Status Change. To be eligible to make benefit changes because of a Life Status Change, you must notify Human Resources within 30 days of the date of the qualifying event. Proof of your life event may also be required. Changes outside of the 30-day period are not allowed until the next annual Open Enrollment period, unless you experience another qualified Life Status Change.

To make benefit changes as a result of your Life Status Change as allowed under Section 125 of the IRS Code, you must:

- Notify Human Resources within 30 days of the date of the qualifying event
- Provide proof of your life status event
- Complete and submit your enrollment form

The Most Common Life Status Changes

- Marriage, divorce, legal separation
- Birth or adoption
- Change in your or your spouse’s work status that affects your benefits or an eligible dependent’s benefits
- Change in health coverage due to your spouse’s annual Open Enrollment period
- Change in eligibility for you or a dependent for Medicaid or Medicare
- Receipt of a Qualified Medical Child Support Order or other court order
Medical Benefits
For 2019, the City of Dunwoody will offer one Cigna POS medical plan.

The POS option works like a traditional health plan. Employees pay a $25 copay to see a primary care physician. If the physician is a Cigna Care Designated (CCD) provider then the copay for an office visit will be $15. The copay for a specialist office visit is $50. If the specialist is a Cigna Care Designated (CCD) provider then the copay for the visit will be $30. Cigna Care Designation can be found on the MyCigna.com website (look for “C” symbol) or by calling 1-866-494-2111.

The plan also has a $500 individual and $1500 family deductible for certain other services such as hospitalization. Once the deductible is met, the plan begins to pay at 100%. The maximum out of pocket is $850 for an individual and $2550 for a family.

Prescription drugs are covered with a copay both at retail pharmacies and Cigna home delivery.

There is in and out of network coverage on the Cigna plan. However, out of network services are subject to a higher deductible, cost more and you may have to file your benefits claims yourself. Always stay in network if possible and remember to check the Cigna App or MyCigna.com to verify participating providers and facilities.

For specifics on the Cigna POS plan, please refer to the following pages.

myCigna.com
Register today. It’s this easy:
1. Go to myCigna.com and select “Register Now”.
2. Enter your personal details like name, address and date of birth.
3. Confirm your identity with secure information like your Cigna ID, social security number or a security question. This will make sure only you can access your information.
4. Create a user ID and password.
5. Review and submit.

Now you’re ready to log in to your personal, secure myCigna.com site. See how the site has been redesigned with you in mind, making it easy to navigate and find what you need:

• Search for a claim
• Find a doctor
• Manage and track your health information

**Note:** Cigna Care Designation symbol as shown on myCigna.com network directory.
Cigna Member Benefits

Look for the Cigna Care Designation!

Choosing the right doctor is a big decision – one where you want a doctor you can trust with your health – and you can afford. The Cigna Care Designation is one decision-making tool you can use to choose a doctor. Cigna checks their education and board certifications. They also check to see if the quality of their care has earned recognition from within the medical industry.

What does the Cigna Care Designation mean?
Before Cigna awards a doctor the Cigna Care Designation, they do a lot of fact-finding. Doctors in 21 different medical specialties are assessed for quality and cost efficiency, since quality care doesn’t have to mean higher costs. Whenever you use the myCigna online directory to find a doctor, you’ll see top-performing doctors are shown with the Cigna Care Designation symbol. This gives you an unbiased evaluation of quality and cost that you can trust.

Get help choosing a hospital, too.
Just look for the Centers of Excellence Designation.
Choose an in-network hospital that’s right for you. Cigna reviews how successful a hospital is in treating 27 common conditions. Their ratings are based on actual patient outcomes, average lengths of stay, and average costs gathered from outside sources. Hospitals that demonstrate better health outcomes at lower costs for one of the reviewed conditions earn the top rating – the Cigna Centers of Excellence designation. See the hospital ratings on myCigna.com.

Cigna Home Delivery Pharmacy

Cigna home delivery is designed especially for individuals who take prescription medications on a regular basis, such as those used for diabetes, asthma, heart conditions, high blood pressure, birth control and more.

You will enjoy:
• Easy refills – up to a 90-day supply means fewer refills
• Reminder service to refill or take your medication available at Cigna.com/CoachRx
• Cigna’s free QuickFill service will call or email you when it’s time to refill your prescriptions
• Fast answers from Cigna pharmacists 24/7 1-800-285-4812

Quickswitch makes filling a prescription simple:
Have this information handy when you call and Cigna will do the rest.
• Name and Cigna ID number
• Prescription medication names and dosage (for you or covered family member)
• Doctor information (name, phone number)
• Payment information (American Express, Discover, MasterCard or Visa)

With this information, we will request a prescription from your doctor. Once we receive it, we will fill your medication and mail it to your home or other location of your choice.

30-Day Specialty Medication Supply Limit:
Specialty medications are used to treat rare and chronic conditions. These medications are costly and are one of the fastest growing components of health care costs. On average, members fill specialty medications twice a year costing around $6300 per prescription. As a member continues through therapy, the need often arises to change the prescription due to side effects or a new medication may come to market that can more effectively treat the condition. Many of these medications are then wasted because the member has to discontinue the old medication for the new.

Specialty medications are limited to a 30-day supply at retail and Cigna Home Delivery Pharmacy.
MyCigna.com

Make the most of your Cigna health plan by using myCigna.com, your online home for assessment tools, plan management, medical updates, and much more.

myCigna.com is completely personalized, so it’s easy to quickly find exactly what you are looking for.

• Find doctors and medical services
• Manage and track claims
• See cost estimates for medical procedures
• Compare quality of care ratings for doctors and hospitals
• Access a variety of health and wellness tools and resources
• Print ID cards

Manage your health and health care expenses with ease. It’s all waiting for you on myCigna.com.

Connect with better health. Here’s how:

• My health assessment. In just twenty minutes, this confidential, online questionnaire will give you a better understanding of your health today – and teach you simple steps for improving your health in the future.
• Condition and wellness resources. Using the interactive medical library, find information on health conditions, first aid, medical exams, wellness and more.
• WebMD® personal health record. Automatically store and track your medical conditions, medications, allergies, procedures and immunizations conveniently online.

myCigna App with Cigna One Guide Service

myCigna Mobile App gives you a simple way to personalize, organize and access your important health information – on the go. It puts you in control of your health, so you can get more out of life.

myCigna App with Cigna One Guide Service has big features.

• Access the health care professional directory
• View and easily print, email, and scan your ID cards
• View and search recent and past claims
• Look up and compare drug costs and find the closest pharmacy
• Access and view account balances
• Store and organize important contact information
• Custom health team feature to keep track of your in network doctors, dentists and facilities
• Receive proactive messages from Cigna to guide you
• Click to chat feature when you need assistance
Cigna Telehealth

How Medical Telehealth Works:

Register with the Vendor (AmericanWell or MDlive) at myCigna.com - Advanced registration allows services to be available when you need them.

Telehealth By Phone:

**Step 1: Call Toll-Free**
Patients call a toll-free hotline available 24/7/365 including holidays. American Well at 1-855-667-9722 or MDlive at 1-888-726-3171.

**Step 2: Speak with a Coordinator**
A consultation coordinator locates the next available doctor and prepares patients for the consultation.

**Step 3: Speak with a Doctor**
Once an available doctor is located, the system automatically calls and connects the doctor to the patient.

Telehealth By Video Conference:

**Step 1: Visit the Website**
Patients visit the American Well or the MDlive website or can download the mobile apps and then log in with user name and password.

**Step 2: Find a Doctor**
The system helps the patients search for a doctor by criteria, such as specialty, language, gender, location, or simply finds the next available doctor.

**Step 3: See the Doctor Online**
Once an available doctor is located, the system automatically calls and connects the doctor to the patient.

Cigna Care Management

What is Care Management Preferred? Care Management Preferred offers a comprehensive care management solution. Our model is:

Inpatient and outpatient precertification
Precertification helps the members know in advance whether a procedure, treatment or service will be covered under their health care plan. It also helps make sure they get the right care in the right setting. This could save them from costly or unnecessary care.

Dedicated care managers connect the dots
Our care managers work with the members, their families and their doctors. Our approach integrates medical, behavioral, pharmacy, disability, and disease management. All while helping customers maximize their benefits.

One team, one goal: Outstanding customer support
Our care management approach is delivered through a multidisciplinary team including a nurse, social worker, medical director, pharmacist and behavioral professional. We connect the dots, bring together the right people and resources to help improve the health of the members.

Specialty care management for whole health support
Cigna’s Specialty Care Management programs are designed to help members with complex health issues. These programs feature care managers who are nurses with expertise and training in condition management.

Healthy Rewards

**TIP**
For a complete list of Healthy Rewards vendors and programs, visit Cigna.com/rewards or call 1-800-258-3312.

Cigna’s Healthy Rewards® provides discounts of up to 60% on various wellness programs and services, ranging from Weight Management and Nutrition, to Vision and Hearing Care, and Tobacco Cessation. To learn more about these and other Healthy Rewards® programs, visit Cigna.com/rewards (password: savings) or call 1-800-258-3312.
Ready to End Your Tobacco Addiction?

A tobacco user spends on average $2,500 a year on tobacco alone and incurs higher health care costs over their lifetime. Living a tobacco-free lifestyle can help save you thousands of dollars and improve your energy level and your quality of life.

In order to support our employees in their goals to end tobacco usage, the City is proud to offer a tobacco cessation product reimbursement program. The program reimburses employees and spouses for tobacco cessation products only. The amount of available funds is subject to annual appropriation by Council. The individual reimbursement limit is $1,500 per year. Spouses are eligible for reimbursement only if funding exists after employees who wish to participate do so. Please contact Human Resources for more information about the program.

Tobacco cessation treatment options include hypnosis, prescription alternatives, the Smart Shot, acupuncture, and over-the-counter remedies such as the patch and gums that include nicotine products or natural formulas. Studies show that treatment programs through a facility or physician that also include therapy and social support are usually more effective for long-term success than other alternatives.

Health Benefits of Quitting

Within 20 minutes:
• Your blood pressure and pulse rate drop to normal.

Within 24 hours:
• Your risk of a sudden heart attack goes down.

Within 2 weeks to 3 months:
• Your circulation improves. Walking becomes easier. Your lungs work better. Wounds heal more quickly.

Within 1 to 9 months:
• You have more energy. Your coughing, nasal congestion, fatigue, and shortness of breath improve.

Within 1 year:
• Your risk of coronary heart disease is half that of someone still using tobacco.

Within 5 years:
• Your chances of developing lung cancer drop by nearly 50% compared to people who smoke one pack a day. Your risk of mouth cancer is half that of a tobacco user.

Within 10 years:
• Your risks of cancer goes down. Your risk of stroke and lung cancer are now similar to that of someone who never smoked.

Finding the Right Tobacco Cessation Program

The program that works best for you may be very different from the program that works best for someone else. Talk to your primary care physician because he/she is one of your best resources for finding cessation programs designed to meet your total health needs. Your physician can discuss over-the-counter and prescription medications and provide a reference to tobacco cessation programs as well.
Fitness Center Memberships

The City of Dunwoody offers free fitness center memberships to our employees.

The memberships are currently available through two organizations, both with fitness center locations in Dunwoody. Dunwoody Baptist Fitness Center offers free memberships to all City employees. The Marcus Jewish Community Center offers a free membership to our sworn Police Department employees. Please see Human Resources for more information.

Employee Assistance Program (EAP)

Bensinger, DuPont & Associates (BDA) is our confidential EAP provider.

The EAP provides employees and their family unlimited telephonic and online access to Master’s Level Counselors who can assist with a variety of issues including:

- Child care resources
- Relationship problems
- Depression
- Financial concerns
- Grief issues
- Stress
- Alcohol and drug abuse

To access our EAP, call 1-888-293-6948 or visit www.eapbda.com
Dental Plan

Good oral hygiene is part of a healthy lifestyle.

We offer two different Guardian dental plans at the same cost. The Value Plan provides the best value if you stay in-network. The Network Access Plan provides a better benefit if you usually use out-of-network providers.

It’s About More Than a Pretty Smile

Our oral health affects our ability to speak, smell, taste, chew, and swallow. However, oral diseases, which can range from cavities to oral cancer, cause pain and disability for millions of people each year.

Visit Your Dentist Regularly

Regular preventive visits to your dentist can help protect your health, and we are talking about more than just your mouth. Recent studies have linked gum disease to damage elsewhere in the body. According to the Centers for Disease Control and Prevention, there may be associations between oral infections and diabetes, heart disease, stroke, and preterm, low-weight births. Research is underway to further examine these connections.

Our plan covers preventive services at 100% in-network, with no deductible for preventive services. Plan members can visit a DentalGuard Preferred Provider every six months for an oral exam and the plan pays for 100% of preventive services. You can visit any dentist, however, stay in-network if you want the best value.

* ViziLite Plus assists dentists in the early detection of oral cancer. Guardian’s plan covers ViziLite Plus exams for members over the age of 40, once every two years.

Finding a Provider

Guardian’s online DentalGuard Preferred Provider (PPO) Directory makes it easy to find in-network dentists. To find out if your dentist is in-network, call 1-800-627-4200.

Visit www.guardiananytime.com and from the home screen follow the following directions:

• Click “Find a Provider”
• Click “Search Providers”
• Use the Find a Dentist tab
• Select “PPO” as the plan type
• Enter a Zip or City and State and Miles
• Narrow the search by Dentist Last Name or Office Name
• Click “Search”
• This brings up a provider list that can be printed or emailed

Dental Benefit Rollover Feature

Guardian automatically rolls over a portion of each member’s unused annual maximum into that member’s Maximum Rollover Account (MRA). The MRA can be used in future years, if a member reaches the plan’s Annual Maximum. To qualify, a member must submit at least one claim during the calendar year and all member claims for the calendar year cannot exceed $500. Members can rollover $250 per year for a maximum rollover amount of $1,000. That amount can be used in later years in addition to the maximum annual benefit. The employee and each dependent insured maintain separate MRAs based on their own claim activity.
EyeMed Vision Care

Taking care of your vision is important to your overall health.

EyeMed Vision Care members can take care of their vision and have routine eye exams, while saving money on all of their eye care needs. Employees and dependents are covered for free under Eyemed’s Discount Plan or they can purchase the more robust Buy-Up Plan. To start using your benefit, visit www.eyemedvisioncare.com or call 1-866-939-3633 to locate a participating provider. For the Discount Plan, select “Access” network. For the Buy-Up Plan, select “Insight” network.

Did you know?

Taking care of your vision can also mean early detection for symptoms of:
- Diabetes
- Hypertension
- High cholesterol
- Tumors
- Thyroid disorders
- Neurological disorders

A qualified vision care professional can help treat and manage:
- Cataracts
- Corneal diseases
- Diabetic retinopathy
- Eye infections
- Glaucoma
- Macular degeneration

Flexible Spending Accounts

A Flexible Spending Account (FSA) allows employees to use pre-tax money for qualified expenses.

The rising cost of health and dependent care (or day care) is encouraging more employees to take advantage of FSAs. You can save anywhere from 10% – 30% by using pre-tax money in an FSA to pay for health or dependent care expenses incurred during the plan year. Determine how much you anticipate spending on qualified expenses throughout the year and fund your FSA for that amount through pre-tax payroll deductions. You can then use those funds to pay for eligible expenses using a debit card at the time of service or by submitting a receipt after-the-fact.

Health Care FSA – used to pay for qualified medical, dental and vision expenses incurred by you and your dependents during the plan year. Over-the-counter drugs are not covered without a prescription. See box for examples of eligible expenses.

Note:
- Annual maximum contribution is $2,650*.
  * This amount will match the 2019 IRS limits.
- Annual minimum contribution is $100.
- You have access to your full annual contribution at any time during the plan year for qualified expenses incurred during the plan year.
- You cannot change your annual contribution amount during the plan year, so be conservative in determining the amount you decide to contribute.
- You have a 90-day grace period after year end to submit claims.

Dependent Care FSA – used to pay for qualified dependent child care or elder care expenses incurred during the plan year, to allow you (and/or your spouse if married) to work or go to school full-time.

Note:
- Annual maximum contribution is $5,000 per household and $2,500 per individual if married and filing separately.
- Annual minimum contribution is $100.
- You ONLY have access to funds that have been withheld from your paycheck. If you submit receipts for a higher amount, you will be automatically reimbursed as future payroll deductions are deposited into your account.
- You have a 90-day grace period after year end to submit claims.

Health Care FSA Eligible Expenses

- Medical plan copays and deductible
- Prescription drugs
- Dental and orthodontia expenses
- Vision care expenses including lasik, glasses and contact lenses
- Tobacco cessation programs
- Infertility treatment
- Psychology and psychoanalysis medical expenses
- Medically necessary massage therapy
- Medically necessary weight-loss programs
- Services not covered under your health plan as long as medically necessary
- Medically necessary cosmetic surgery

Please refer to our plan document for a full list of eligible expenses and exclusions.

Dependent Care FSA Expenses:

- Care at licensed nursery school or day care facility
- Before and after school care for children 12 and under
- Day Camps
- Nannies and Au Pairs

Dependent Care Ineligible Expenses:

- Services provided by a family member
- Overnight camp expenses
- Babysitting expenses for time when you are not working or your spouse is not at school or working
- Late payment fees
- Tuition expenses for school

Important Rules Regarding FSAs

- Accounts are separate and you cannot co-mingle funds.
- A maximum of $100 may be rolled forward into the next plan year.
- Any monies in excess of $100 at the end of the plan year will be forfeited.
LIFE INSURANCE: THE STANDARD

Life Insurance and AD&D

The City pays for a life insurance benefit of three times annual earnings up to $600,000 for all full-time employees and an additional benefit of three times salary up to $600,000 in AD&D insurance.

Optional Life Insurance

Our voluntary life insurance program allows you to purchase additional coverage for yourself and coverage for your dependents. The voluntary life program provides optional employee coverage ranging from $10,000 to $300,000, purchased in $10,000 increments. Your spouse may purchase coverage ranging from $5,000 to $150,000, in $5,000 increments. The amount of coverage for a spouse cannot exceed the amount of coverage that the employee has elected for himself or herself. Children are eligible for a flat $10,000 benefit (up to age 26.)

Why Buy Life Insurance?

Life insurance provides a lump sum cash benefit to surviving dependents to cover immediate expenses such as funeral expenses or ongoing living expenses. Life insurance benefits often help survivors adjust to the loss of income related to the death of a wage earner or provide funds for college or retirement for the survivors.

Waiver of Premium

If an insured employee becomes totally disabled (unable to work at any job) prior to age 60 and has completed a six month waiting period, insurance will remain in force (proof of total disability is required) during that disability without further payment of premiums until age 65, at which time coverage will terminate.

What is Evidence of Insurability?

Our carrier guarantees that all employees will be able to purchase life insurance coverage up to $50,000 for themselves and $15,000 for their spouse during New Hire enrollment. To purchase voluntary life coverage above those amounts, the carrier requires Evidence of Insurability. If you or your dependents have medical conditions that make it difficult to purchase life insurance on your own, understanding Evidence of Insurability and the guaranteed issue amount is important.

Providing Evidence of Insurability means you will need to complete a medical questionnaire, obtain a physical (at the carrier’s request), and receive carrier approval before your insurance takes effect. Life insurance enrollment time frames are limited as detailed below:

- **New Hires** – You may apply for coverage up to $50,000 for yourself and $15,000 for your spouse through the normal enrollment process. To purchase coverage above that, you will be required to provide Evidence of Insurability.

- **Marriage, Adoption or Birth** – If you are already enrolled in employee life insurance you can enroll new dependents as long as you follow normal Life Status Change deadlines. If you wish to increase your employee life amount above $50,000 or spouse coverage above $15,000, you must complete the Evidence of Insurability Form and submit it within the normal Life Status Change deadlines.
Disability

One third of all Americans between the ages of 35 and 65 will become disabled for more than 90 days, according to the American Council of Life Insurers. The City pays for employees’ short-term and long-term disability insurance, which provides income continuation if you are ever unable to work due to an accident or illness. The disability benefit is based on your annual salary. The salary calculation is based on 42 hours per week for applicable employees.

If you were disabled and unable to work, how would you pay your bills?

Disability Insurance provides income protection to insure that you have a consistent flow of income if you are unable to work for an extended period of time due to a disabling illness or injury.

If you suffer from an illness or injury and are unable to work, do you know how you will pay your rent or mortgage, car payments, utilities, and health insurance? The loss of income can be so devastating that the U.S. Department of Housing and Urban Development estimates that 46% of all home foreclosures are caused by a disability.

If you are like most Americans, your monthly expenses eat up most of your paycheck and little is left for saving. If you worry that you haven’t set aside a big enough emergency fund, then this benefit should help you sleep better at night.

Short-Term Disability
(up to 90 days)

Your short-term disability insurance provides coverage of 60% of gross wages up to a maximum of $2,500 per week for a qualified disability. Benefits are payable on the 8th day of a disability or illness for a maximum of 90 days. Pregnancy is covered under short-term disability the same as any other disability.

Long-Term Disability
(beyond 90 days)

Your long-term disability benefit provides a benefit of 60% of your monthly salary up to a maximum of $12,500 per month after 90 consecutive days of total disability. This is a gross-up plan which means employees are taxed on the premium, but if you go out on disability the benefit you would receive would be tax free.
Retirement Savings Plans

The City provides employees with a comprehensive retirement program consisting of a 457(b) plan, a 401(a) plan, and a Social Security replacement plan administered by OneAmerica.

The 457(b) plan allows employees to defer part of their pay on a tax-deferred basis into the investment of their choice.

- **Salary Deferral Contributions**: You may contribute from 1% to 100% of your pay each pay period. Your taxable income is reduced by the amount you contribute through salary deferral. Your total salary deferral and employer contributions may not exceed $18,500* for 2019.
  
  * This amount will match the 2019 IRS limits.
- **Catch-Up Contributions**: If you are age 50 or older by December 31st, you may contribute a catch-up contribution of up to $6,000* for 2019.
  
  * This amount will match the 2019 IRS limits.
- **Vesting**: You are always 100% vested in the contributions YOU choose to defer.
- **Investments**: Contributions are automatically directed to the plan’s investment default if you do not choose any investment options.
- **Match**: If you contribute 8%, the City will fund a 4% match to your 401(a) plan.
- **When You Receive Benefits**: Termination of employment, retirement (at any age), disability, death, or Plan termination.

Housing Reimbursement Program

The housing reimbursement program provides additional compensation as reimbursement to eligible employees of the City of Dunwoody who reside within the City limits. Eligible employees are defined as employees who are Uniformed Officers of the City of Dunwoody Police Department, including Police Officers, Detectives, Sergeants, Lieutenants, Majors, the Deputy Chief and the Chief of Police. Housing reimbursement is for the rent or payment of mortgage for a single family home, condominium, apartment or any unit suitable for housing one family. The allowance amount is $500 per month ($6,000 per year), subject to annual appropriation each year on a first-come, first-served basis. See Human Resources for more information.

Travel Assistance Program

The travel assistance program is provided free by the City and is administered through Standard Insurance Company and United Healthcare. The plan provides many benefits related to travel including, but not limited to, pre-trip assistance, medical assistance while traveling, emergency transportation, and legal services. Employees and their family members are eligible for the program. Employees will receive a wallet card that lists the contact information for United Healthcare. Support is available 24 hours a day, 365 days a year.

Education Assistance Program

To encourage employees to continue their education and improve their job skills, the City offers an education assistance program. The City reimburses regular, full-time employees for tuition, lab fees, and textbooks associated with coursework that meets the requirements of the program. The current annual allotment is $3,000 per employee for Associate or Bachelor degree programs and $4,000 per employee for Master degree programs. Please see Human Resources for more information.

Supplemental Insurance Policies

The City currently makes available the opportunity for employees to purchase supplemental insurance policies through Allstate that can be paid for through payroll deduction. The current policies are the Group Accident Insurance Plan and the Group Cancer Insurance Plan. See Human Resources for more information.
NOTICES: CHILDREN’S HEALTH INSURANCE

Premium Assistance under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office, dial 1-877-KIDS NOW, or go to www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as being eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www. askseba.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of August 10, 2017. Contact your State for more information on eligibility –

Medicare Part D Disclosure Notice

Important Notice from the City of Dunwoody about your Prescription Drug Coverage and Medicare

ATTENTION: If you and/or your dependent(s) are eligible for Medicare, please read this notice carefully and keep it where you can find it.

This notice has information about your current prescription drug coverage under the City of Dunwoody medical plan and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. The City of Dunwoody has determined that the prescription drug coverage offered under the City of Dunwoody medical plans are, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide To Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current medical coverage under the City of Dunwoody medical plan will not be affected. If you keep the coverage under the City of Dunwoody medical plan and enroll in Medicare Part D, both plans will coordinate coverage. The City of Dunwoody medical plan will be primary.

The City of Dunwoody medical plan pays for other health expenses in addition to prescription drugs. You may NOT drop your prescription drug coverage under the City of Dunwoody medical plan without dropping the entire medical coverage. You cannot elect to have Medicare as your primary coverage without losing both your medical and prescription coverage through the City of Dunwoody.

If you do decide to join a Medicare drug plan and drop your current medical and prescription coverage through the City of Dunwoody, you and your dependents may be able to get this coverage back. However, re-enrollment is subject to the applicable Limitations and Exclusions under the Plan, including but not limited to Special Enrollment Rights, Late Entrant and Annual Enrollment Provisions. Contact your Human Resources Department for more information about the provisions applicable to reenrollment under this Plan.
When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current medical coverage with the City of Dunwoody and don’t join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage…
Contact the person listed below for further information. NOTE: You’ll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through the City of Dunwoody changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage…
More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare and You” handbook. You’ll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:
- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

COBRA Continuation Coverage

A federal law known as the Consolidated Omnibus Reconciliation Act (COBRA) requires that most employers that sponsor group health plans offer employees and their families the opportunity for a temporary extension of health coverage (called continuation coverage) at group rates in certain instances where coverage from the terms of the plan would otherwise end. This notice is intended to inform you of your rights and obligations from the continuation coverage provisions of the law.

If you are an employee and are covered by the group health plan, you have a right to choose this continuation coverage if you lose your group health coverage from the terms of the plan because of reduction in your hours of employment or the termination of your employment (for reasons other than gross misconduct on your part). If you are the spouse of an employee and are covered by the group health plan, you have the right to choose this continuation coverage if you lose your group health coverage from the terms of the health plan for any of the following reasons:

- The death of your spouse
- A termination of your spouse's employment (for reasons other than gross misconduct) or reduction of your spouse's hours of employment
- Divorce or legal separation from your spouse
- Your spouse becomes entitled to Medicare

If an employee's dependent child is covered by the group health plan, he or she has the right to continuation coverage if group health coverage from the terms of the health plan is lost for any of the following reasons:

- The death of a parent
- A termination of a parent's employment (for reasons other than gross misconduct) or reduction in a parent's hours of employment
- Parents' divorce or legal separation
- A parent becomes entitled to Medicare
- The dependent ceases to be a dependent child within the terms of the health plan

The individuals described above, who are entitled to COBRA continuation coverage, are called qualified beneficiaries. If a child is born to a covered employee or if a child younger than age 18 is adopted by or placed for adoption with a covered employee during a period of COBRA continuation coverage, the newborn or adopted child also is a qualified beneficiary. These new dependents can be added to COBRA upon timely notification to the plan administrator in accordance with the terms of the group health plan.

Under the law, the employee or a family member has the responsibility to inform the plan administrator of a divorce, legal separation or a child losing dependent status within the terms of the health plan. This information must be provided within 60 days of the event or the date on which coverage would end under the terms of the plan because of the event. If the information is not provided within 60 days, rights to continuation coverage through COBRA ends. The employer has the responsibility to notify the plan administrator of an employee's death, termination of employment or reduction in hours or Medicare entitlement.

When the plan administrator notifies that one of these events has happened, the plan administrator will, in turn, notify you of your right to choose continuation coverage. According to the law, you have 60 days from the date you are notified of your rights, or the date you would lose coverage because of one of the events described above, to inform the plan administrator that you want continuation coverage.

If you do not choose continuation coverage in a timely manner, your group health insurance coverage will end. COBRA continuation coverage is not available to any covered individual if coverage is lost due to termination of employment for gross misconduct.

If you choose continuation coverage, the employer is required to give you coverage, which, as of the time coverage is being provided, is identical to the coverage provided with the plan to similarly situated employees or family members. Any changes made to the health plan for similarly situated employees or family members also will apply to the individual who chooses COBRA continuation coverage. The terms of the coverage are governed by the plan documentation, which is available upon request from the plan administrator in the event you have misplaced your documentation.

The law requires that you are given the opportunity to maintain continuation coverage for up to three years unless you lost group health coverage because of a termination of employment (except for gross misconduct) or reduction in hours. If such termination or reduction of hours is the reason for your loss of coverage, the required continuation coverage period is up to 18 months. These 18 months may be extended to 36 months if other events (such as death, divorce or the employee's Medicare entitlement) occur during the 18-month period. If the covered employee became entitled to Medicare less than 18 months before a qualifying event that is termination of employment or reduction of hours, then qualified beneficiaries, other than the covered employee, may receive continuation coverage for up to 36 months measured from the covered employee's Medicare entitlement.

The 18-month continuation coverage period applicable to termination (except for gross misconduct) or reduction in hours may be extended to up to 29 months if a qualified beneficiary is determined by the Social Security Administration to have been disabled at any time within the first 60 days of continuation coverage. In order to extend the 18-month period, a qualified beneficiary must notify the plan administrator within 60 days of the determination by the Social Security Administration and before the end of the 18-month continuation period.

If the above requirements are satisfied, the continuation coverage for all qualified beneficiaries may continue for up to an additional 11 months beyond the end of the initial 18-month period. A higher monthly premium (150 percent of the applicable premium used to determine regular COBRA rates) will be required. The plan administrator also must be notified within 30 days after the date of any final determination of the Social Security Administration that the disability no longer exists, if such a determination is made before the end of the 29-month continuation coverage period. Continuation coverage will be cut for any of the following reasons:

- The employer no longer provides group health coverage to any of its employees
- The premium for your continuation coverage is not made on time
- You become covered under another group health plan that does not contain any exclusion or limitation with respect to any preexisting condition you have
- You become entitled to Medicare
- In the case of the 29-month continuation of coverage period for the disabled, the disability ends

You do not have to show that you are insurable to choose continuation coverage. However, continuation coverage under COBRA is provided subject to your eligibility for coverage; the plan administrator reserves the right to terminate your COBRA coverage retroactively if you are ineligible.

Under the law, you may have to pay all or part of the premium, plus a 2 percent administration fee, for your continuation coverage. As explained above, higher rates apply to the employer’s terminations that do not qualify. There is a grace period of 30 days for payment of the regularly scheduled premium. In addition, upon the expiration of the 18-month or 36-month continuation coverage period, you are allowed to enroll in an individual conversion plan if conversion is provided from the terms of the health plan.

HIPAA Special Enrollment Right

During the enrollment period, if you decline enrollment for yourself or your dependents (including your spouse) because of other health insurance coverage, you may, in the future, enroll yourself or your dependents in the health plan, provided you request enrollment within 30 days after your other coverage ends. To retain your right for special enrollment, you may be required to certify during enrollment, in writing, that you are covered by another health plan. In addition, if you have a new dependents a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your dependents, provided that you request enrollment within 30 days after the marriage, birth, adoption or placement for adoption.

Women’s Health and Cancer Rights Act

The Women's Health and Cancer Rights Act requires all group health plans that provide medical and surgical benefits for a mastectomy also must provide certain related benefits. A participant or beneficiary who is receiving benefits for a mastectomy that is covered by a health plan and elects breast reconstruction is entitled to receive coverage for:

- All stages of reconstruction of the breast on which the mastectomy was performed
- Prostheses and reconstruction of the other breast to produce a symmetrical appearance
- Prophylactic mastectomy
- Surgery and reconstruction of the other breast to produce a symmetrical appearance
- Prostheses and treatment of physical complications at all stages of the mastectomy, including lymphedemas

The coverage will be subject to the same annual deductible, co-insurance, copay and other conditions and limitations otherwise applicable under the health plan. If you have any questions about coverage for these benefits, contact the health insurance carrier.

Wellness Program Disclosure

Your health plan is committed to helping you achieve your best health. Rewards for participating in a wellness program are available to all employees. If you think you might be unable to meet a standard for a reward under this wellness program, you might qualify for an opportunity to earn the same reward by different means. Contact your employer Human Resources Department (see back cover) and we will work with you (and, if you wish, with your doctor) to find a wellness program with the same reward that is right for you in light of your health status.

Newborns’ and Mothers’ Health Protection

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother’s or newborn’s attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).
