## \* Terms & Conditions

The undersigned, upon oath, states that the above information is true and correct, understands that the Permit issued is only for construction as stated and that occupancy of the structure is not permissible until all requirements are met and a Certificate of Occupancy has been issued by the City. This permit is granted on the express condition that said construction shall, in all respects, conform to the ordinances of this jurisdiction including the zoning ordinance, regulating the construction and use of buildings, and may be revoked at any time upon violation of any provisions of said ordinances. A complete set of approved plans must be furnished to the City on all non-residential projects. Construction will begin no later than six months from the issue date of the permit. All required Contractor State Licensures, Sub-Contractor Affidavits, and Business Licenses must be submitted with the completed application. If any information is found to be false or misrepresented, the permit will be deemed invalid. I agree to indemnify and hold the city harmless from all damages, demands or expenses of every character which may in any manner be caused by construction and/or the structure. \*\*Fire plans require review by the City
