

# Revisions from February Draft

Dunwoody Village Districts

8/25/2020

The following revisions to the text of the 2/28/2020 Dunwoody Village Districts were made based on Planning Commission feedback, City Council feedback, and staff or consultant technical corrections:

## **Figure 27-107B-1 Regulating Map**

The regulating map was updated as follows:

- The new north-south street between Publix and Chamblee Dunwoody Road that extended toward Wynterhall Lane was removed; and
- A widened buffer was added to DV-1 parcels west of Chamblee Dunwoody Road.

## **Figure 27-107B-3 DV-2 District Requirements**

Townhouses were removed as a permitted building type to align with the use table.

## **Figure 27-112-5 DV-4 District Requirements**

Townhouses were removed as a permitted building type to align with the use table.

## **Sec. 27-107C(a)(3)(a) Regulating map streets**

The phrase "in order establish" was changed to "in order to establish."

## **Sec. 27-107D(g) (g) Townhouse building regulations.**

Townhouses were removed as a permitted building type in DV-2 and DV-4 to align with the use table.
