Submit information about yourself or someone else in need that could use the help of the Dunwoody Police Department in acquiring a car safety seat.

Send application to carseatcheck@dunwoodyga.gov

You can also drop off a hard copy at the front desk.

We do not update the application status once your application has been submitted. We receive multiple applications each year and have a limited number of car safety seats.

If you are selected you will be notified by our selection committee for an over the phone interview. For a new car seat, you must prove you are a City Of Dunwoody resident in good standing and be in financial need. If you have been deceptive in any way, your application will be voided. You will also be required to attend a 1 hour training session about car seat safety prior to the issuance of a new safety seat.
