

Economy

BeltLine corridor, 2020

Trails provide...

increased home resale value for properties nearby trail amenities

a selling point for prospective homebuyers

a place people want to "be;" where they want to live, work, and shop

a catalyst for economic development

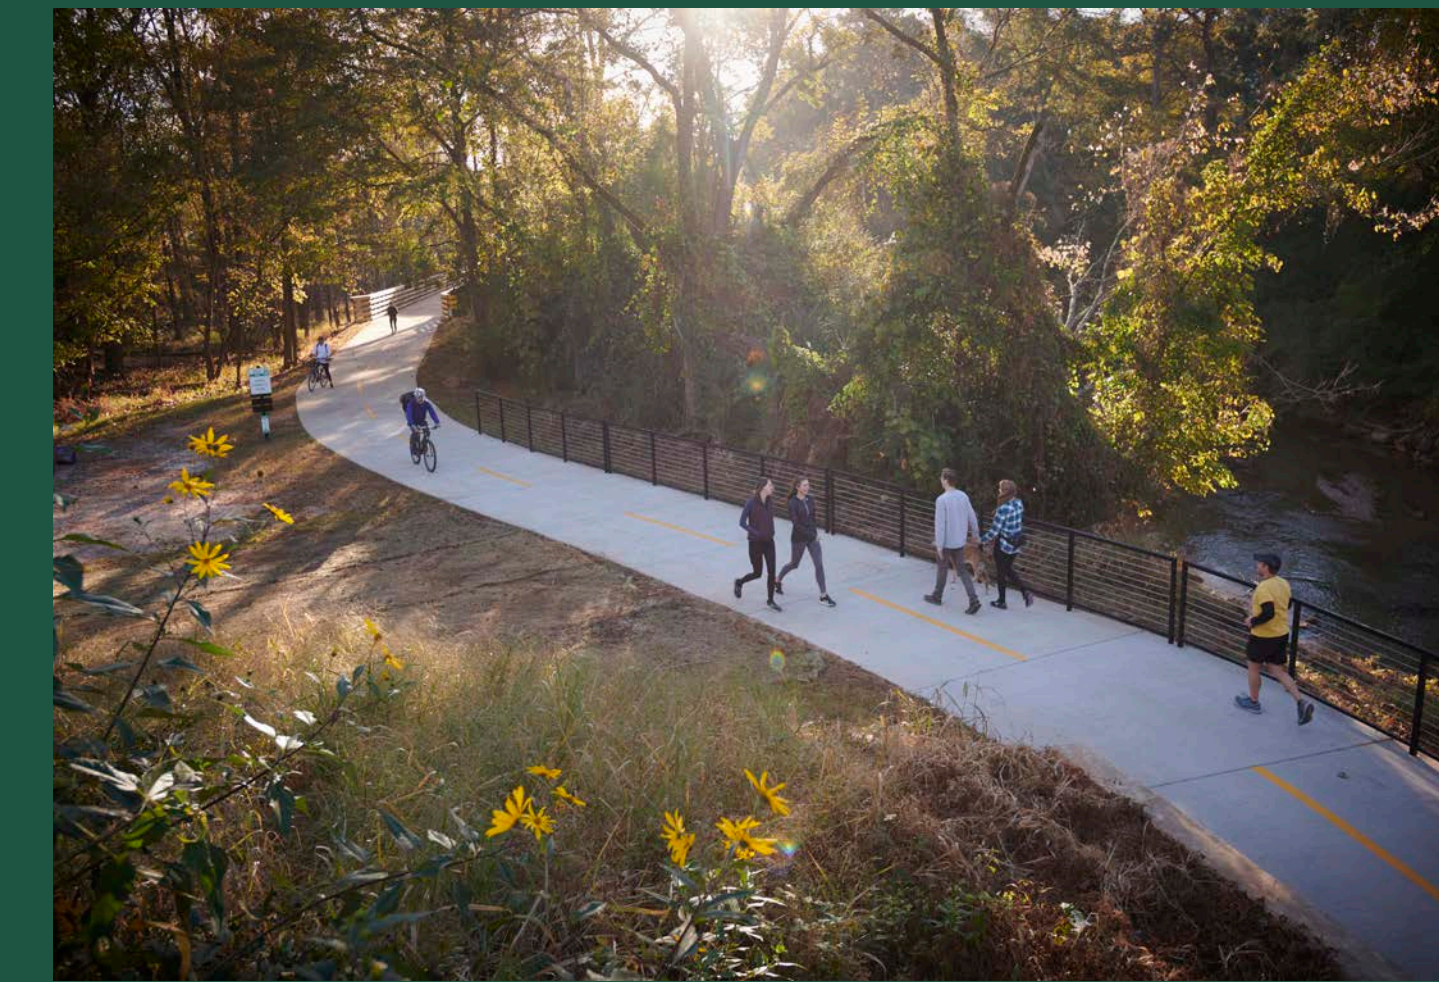

BeltLine corridor, 2004

Environment

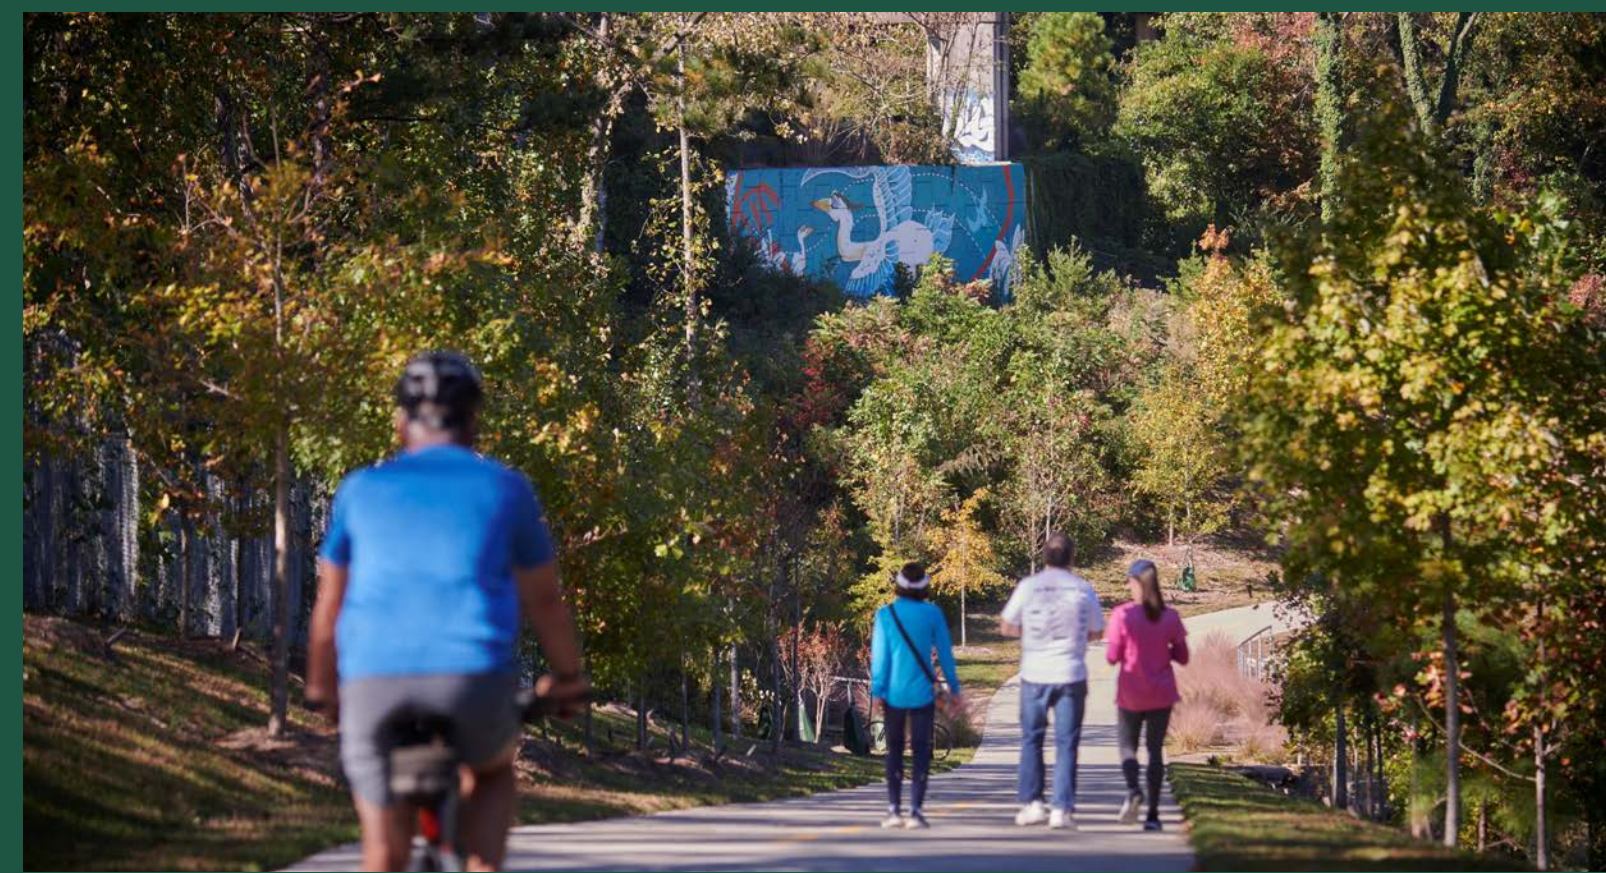

Trails provide...
acres of preserved greenspace for the public's enjoyment

green corridors that bolster biodiversity and offer valuable wildlife habitat

low and no-carbon transportation options that reduce local car travel

Quality of Life

Trails provide...

linear parks to be enjoyed today and for generations to come

a canvas for neighborhoods to make their own

free outdoor opportunities for all ages, races, incomes, and abilities

inviting experiences where people want to be together

freedom of movement without the need for a car

safe routes to school and a reduction in car traffic

Health

Trails provide...

opportunities to enjoy fresh air, exercise, and interaction with neighbors

active transportation options to local destinations
