

# 2023 OVERDOSE REPORT

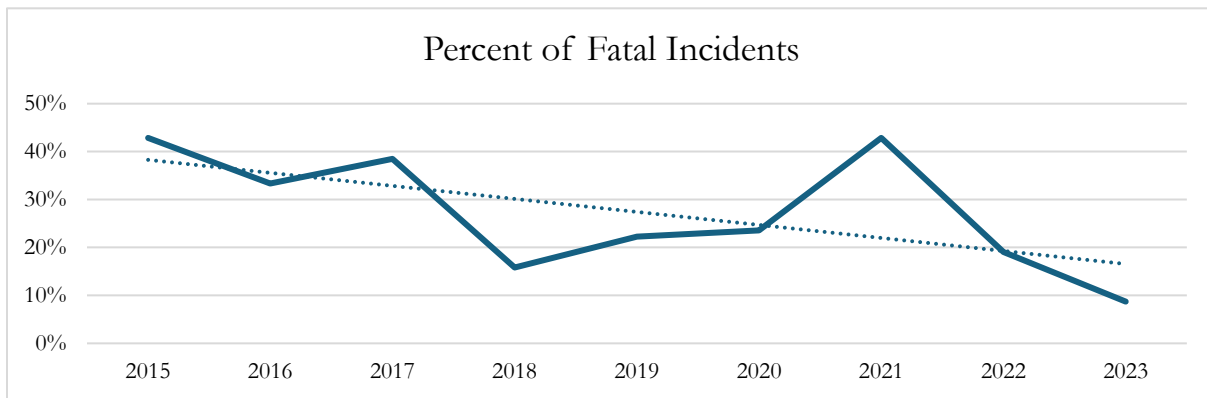

CITY OF DUNWOODY  
POLICE DEPARTMENT

## Opioid Overdose Incidents

Here are the updated numbers since our last memo regarding opioid overdose incidents. Just as before, the majority of all overdose calls for service are opioid related. Consistent with national trends, we have seen cases of fentanyl mixed with stimulants as well, such as methamphetamines.

Year	Incidents	Fatal Incidents	% of Fatal Incidents
2015	7	3	43%
