Dear Mr. and Mrs. Wathen,

This letter serves to inform you that at the Zoning Board of Appeals Meeting on September 5, 2024, your application for **a variance** from Chapter 16, Section 78 to allow a porch to encroach into the 75-foot stream buffer was **approved subject to the following conditions**:

1. Construction must be in substantial compliance with the submitted site plan, prepared by Crescent View Engineering, LLC, dated 6-2-2023 and last-revised 7-19-2024 (See Appendix A).
2. If construction has not commenced within two years of the granting of this variance, approval shall be void.

Please attach this approval to all future permit requests. This does not serve as your construction permit approval. Please be sure to remove the public notice sign from your yard.

Sincerely,
