A pre-application conference with staff is required for all Amendment applications and for all SLUP applications. To schedule a pre-application conference, please contact the Senior Planner.

Prior to submitting an application, an Applicant-Initated Meeting may be required. Please budget approximately four weeks prior to the application deadline. (See Chapter 27, Section 27-206 of the Zoning Ordinance).

Application submittals must include a completed form, all required items on the checklist that apply, and shall fully address comments received from Staff during the Pre-Application Meeting. Following submittal, applicants will be notified by e-mail whether an application is deemed complete and compliant. Applications not deemed complete and compliant on the "Complete and Compliant Letter Deadline" date will be deferred to the following month's meeting to allow the applicant sufficient time to submit a complete application packet.
